MÁLAGA

WELCOME TO MÁLAGA

Málaga is a city that everyone has visited, but no one really knows. From the Old Town in the capital, to the many beautiful towns and villages. Málaga province is rich in nature, culture, food, and drinks of course. A typical 4 day trip would cover most of Málaga capital, but if you want to get the most out of this city rent a car. Less than 1 hour away, one can visit the beautiful beaches in Nerja, the deep gorge in Ronda, the old town in Marbella.
